 Oh give me a home page where web browsers roam  
 C   F C            G    C G  
 And the spiders and fish searches play  
 C            G C            G F  
 Where my words can be seen upon everyone's screen  
 C            G    C G    C  
 And I'll be the Cool Site of the Day.

C            F C G C    F            C  
 Oh I wanna be a webmaster, I wanna use HTTP  
 F\*            G    C    F    C G C G  
 In the World Wide Web there'll be no one as wonderful as me  
 C\*            F    C G C F    C  
 My page will be the Cool Site of the day you just can bet  
 F            C G C G C  
 At WWW-dot-my-dot-site-dot-net

C            G C            F            C  
 Well, I found a site provider and I wrote HTML  
 C            C\*            F            G  
 And I made a thousand links to sites that I can't even spell.  
 C            F C            F C            G C  
 With a CGI hit counter that has four whole lines of code,  
 C            F            F G C G C  
 And a three-D rendered background that takes half an hour to load.

*refrain — the week*

Well I've bought myself a Macintosh and Windows 95  
 Page Mill and Netscape Server on a 4.2-Gig drive;  
 My programs all have objects and my processors have RISCs  
 And my software's backed up on about five hundred floppy disks.

*refrain — the month*

Now I have a Cisco router and a satellite link dish  
 And a realtime Ricoh camera taking pictures of my fish  
 And an RC autogyro I'll be taking for a whirl  
 Just as soon as I can figure out how to program it in PERL.

*refrain — the year*

I'll be raking in the Digicash and Cyberbucks galore  
 When a World Wide Web of customers comes browsing to my door  
 I'll sell them cups of Java and instant iced N-T  
 In recycled plastic mugs that have a photograph of me.

*refrain — all time*

Oh give me a home where the web browsers roam  
 I'll be staking my cyberspace claim  
 To a place in the sun for fast money and fun  
 And my own 15 minutes of fame.
